“ *I was so sorry to hear of mamaw Harrod's passing - don't think I had seen her since dad passed but kept up with her through Tiffany- there was sadness due to her health struggles but also laughter as apparently her sense of humor and spirit never waned. My fondest memory? It would have to be behind the old Vine Grove house when they thought it would be funny to take us "snipe hunting"-not too funny at the time but thinking now maybe Emma, JuJu and Maille should learn how to catch one too! And I will never forget that feather bed!!! Love you all-especially you, sister!!!!*
