“ I am J.T's daughter and am the one who had a daughter who suffered with cancer 5 times from age 1 to age 27 when she died. Her Papaw Harmon would drive many miles to see her and cheer her up. I was very close to Marcie who I considered to be my "other" mother till she disowned me and my two children. Though I tried to reconnect with Marcie for the last 12 years ....she refused and my kids lost their Mammaw Marcie. I'm so sorry she has passed and my prayers go with her. 🥹🙏🙏🙏
