“ *Everyday I still think about you, and how we would talk for hours and watch tv. I miss visiting you, but I guess it won't be too much longer and I will be there with you and dad.*

“ *What a wonderful and devoted Mom to all her children and a wonderful friend to everyone. Mom, I will miss you so much each and everyday. I will miss our talks we had at least once or sometimes twice a day. I will always have precious memories of our time that we spent together every Sunday as well as other times. I am so thankful you are not hurting anymore and you can be free of that old oxygen cord and kick up your heels with Dad. Till I see you again know I love you with all my heart. Charlene*

“ She was a very sweet and kind lady. I was a very lucky guy to win the lottery not once, but twice. I got her daughter for my wife and Mary for my Mother-In-Law. I will miss her love and kindness. Rest in peace Moma Bear.
