“ *Working with Mary has been 1 of the best experiences of my life. I really have enjoyed getting to know her. She truly was a wonderful & very beautiful woman. 1 thing I learned really fast was the fact she did not want her hair messed up. She couldn't wait for each Monday to roll around to get it fixed again. It didn't take long to notice however that Mary could have quite a temper @times. Those were the times I learned quite fast too step back. Or I may just hurt. Lol! Mary has told me so many stories. Some were so funny. But sometimes you had to watch. You really didn't know if they were true or not. But she was such a great lady & took very good care of herself. Especially her skin! Who at 93 does not have wrinkles? She had none! I truly thank God I had the chance to care for such a lovely woman. I gained a couple of lifetime friends along the way. Ruth & Naomi. Of course I have to thank her daughter Annette for hiring me or I wouldn't have had the chance for meeting & working with Mary. Thank you so much for everything Annette. You've been so good to me. I'm praying for you, & Charlotte both. Of course the rest of the family & friends as well. May God be with you all through your difficult times. I will never forget the wonderful times.*
