“ *Shannon Stoker*

I am so sorry to hear about your baby boy. My daughter spent most her first two years of her life in the hospital she's 3 now and my heart just aches for you both. I think your husband and I went to school together, like he's my age. I read it in the sunday paper and I haven't been able to get it out of my mind, god bless you all and your family you are in my prayers.
