“ *To my sister Evelyn, Butch and Andi, Matt Linker. Matthew's death was so tragic. It was hard for you to prepare yourselves for his loss. But remember this Matthew was loved by u, God and many more. And now that he has gone to Heaven God will still be with you to comfort you and ease the pain. Remember all the memories that Matthew gave you.. He could be a stinker but was a good son and nephew.*

“ I came to the scene just as it had happened. I tried to help Matt, but it was too late. Although I've never met Matt before, my heart aches for his family and friends as well as James (the passenger). I was there for James while waiting for EMS to come, but only wish I could have done more for Matt. Matt is finally home. My prayers are with you all during this tragic time, my deepest condolences.
