“ *Nancy kept us up to date on how your Mom was feeling. It was sad to hear of her passing. We are never quite ready to let them go even when it is so obviously the right time. You all did such a wonderful job dealing with her illness. We are thinking about you, Lib*

“ Dear Melva's Family,  
I so enjoyed knowing your mother through Garden Club. She was such a refined, dignified, and cheerful lady. We were also fellow "donkies," and enjoyed conversation and laughter about our shared politics. She will be so missed, but I am sure that you all have many happy memories. My prayers are with you.

“ I am thinking once again of the Wendell Berry poem:  
*The Larger Circle*  
"We clasp the hands of those that go before us,  
And the hands of those that come after us.  
We enter the little circle of each other's arms  
And the larger circle of lovers  
whose hands are joined in a dance,  
And the larger circle of all creatures,  
Passing in and out of life,  
who move also in a dance,  
To a music so subtle and vast that  
no ear hears it  
Except in fragments"
