“ Clayton we are so sorry for your loss. We were so surprised to learn that Scotty had passed away. We did not know about it until after the services about 30 minutes ago. We have been running all weekend with the kids and didn't read the paper. We were both shocked when Brad called Chad today and asked if we had gone to the funeral. You know if you need anything, we are just next door. We will stop in and see you sometime if that is ok with you. Again you we are so sorry and you are in our thoughts and prayers.  
Love and God Bless,  
Len and Chad Peach

“ *I am so sorry to hear about Scotty's passing (onto a better place.) I couldn't have had a better start in my working career than at Scotty's Pink Pig. Scotty was always teasing me and was always full of life and jolly! I am so blessed to have had Scotty and Clayton in my life; They were all about family and friends and good values. Scotty will truly be missed here on this earth. God Bless you all.*

“ Clayton, I am so sorry to hear of your loss. Since our time at CCEIDA, I have always considered you a dear friend. I enjoyed the times we shared with you and Scotty at our annual Christmas dinners. Janice and I are living 'part time' in Fort Myers and will not be able to attend funeral services. However, I want you to know that you and your family are in our prayers. I am a firm believer that God provides strength and comfort in these times. Please let me know if I can ever be of assistance to you in the future.

Love,

Joe and Janice Mefford
