“ *Mike was a wonderful man and a joy to get to know. He always had a great smile and made sure he came to see you when you were in frankfort to visit. Mike, you may be gone from us physically, but spiritually and emotionally, you will always be with us and we will always carry your smile with us. You have given us great memories to cherish. I pray that your family will find peace and comfort in the rough days to come. Oh and Mike, I hope your golf game was better than your horseshoes cuz I'd hate to see an angel with a broken halo while you play your way through heaven. Bye Mike...we'll miss you. Give your mom and dad a big bear hug from us.*

*Always,
Cindy (your cousin)*
