“ *We've known Mike for over 25 years. He was always the same everytime you ran into him. He had such a happy, warm, fun, inviting spirit with a smile to light up the room! All these years we heard nothing but the best when Mike came up in conversation. We miss you terribly!*

“ *Dear Todd Family,*

I was saddened when I heard the news of Michael's passing. The loss of a loved one is never easy. A few years ago I lost my grandfather to diabetes. Although words of consolation cannot substitute for the life of a loved one we can take comfort in them. As a Bible reader I have drawn comfort from the fact that there will be "a resurrection of life" as Jesus promised in John 5:29. Afterwards we will be witnesses of the answer to Jesus' model prayer in Matthew 6:10 for "God's kingdom to come. His will to take place, as in heaven, also upon the earth." I cannot wait to be reunited with my grandfather, as I am sure you cannot wait to be reunited with Michael.

Again I send my deepest sympathies,

Lauren

“ This is so hard to believe that you are no longer with us. May your entire family find peace that you are now with Our Heavenly Father. We shared so many childhood memories and that smile of yours was a given as could and would light up an entire room. You will be missed by so many here on earth but we know you will be watching over your loved ones from above. When you see David, I'm sure the two of you will have a blast. Love you my dear lifelong friend.

Prayers to all your family in this time of need.
