“ Mike was a good man with a gentle spirit. Mike told Gene this story years & years ago. He was just a little boy playing on the funeral home grounds and decides to play in the car. His dad decided to clean the hearse & fill it with gas. His dad, thinking he was alone was driving to town. Almost to the gas station Mike pops his head up, puts his hand on his shoulder & exclaims, "Where are we going Dad?" Mike said his Dad screamed, almost ran off the road!!!! Mike always loved to share that story.

We're so sorry Emma & family for your loss. Mike was so good to our family each time we needed him. Emma, you were always the love of his life.

Sending love & prayers

Sorry to hear of the lose of such a wonderful person. When my grandson passed away unexpectedly and our family was devastated but Mr. Harrod charged us absolutely nothing for everything even his casket, and I heard he done that for other little ones that left so soon. He was an angel here and now in Heaven. TY Mr. Harrod you will always be in our family's prayers
