“ *Beverly and Richard I am so sorry for your loss. I never had the pleasure of meeting your son, but I feel honored and blessed to have met both of you. The hardest part of my job is meeting and trying to comfort family members during their most difficult times, but sometimes the roles are reversed and it's the family that actually comforts me. You both have given me hope and strength by the way you have handled this tragedy and for that I thank you. I wish you and your family all the best, God Bless and please know that you have a friend at UK should you ever need me.*

“ *I just want you all to know my thoughts and prayers are with you. Mikey will always hold a special place in my heart, he is the little brother I never had. I have a lot of fond memories with him in them. May God be with you all in this time of need and just remember God will heal your heart in time.*

“ Mikey, you will be missed, my memories of you have become precious and I will keep them, and you forever in my heart. Family and friends. I wish I had the words to take away the pain, but I hope you can take some comfort in knowing that you are thought of, and prayed for.

God's Garden

*God looked around his garden
and he found an empty place.*

*He then looked down upon this earth
and saw your tired face.*

*He put his arms around you
and lifted you to rest.*

*God's garden must be beautiful
He always takes the best.*

He knew you were in pain.

He knew you would never get well on earth again.

*So He closed you weary eyelids
and whispered "Peace be thine".*

*He then took you up to Heaven
with hand gentle and kind.*

*It broke our hearts to lose you,
but you did not go alone.*

*For part of us went with you,
The day God called you home.*

...Rest in peace Mikey...
