“ *One day I had a question about the condition of my tire. Mike and I discussed how safely I could drive with this tire and how long. Mike then asked to see my keys. He said:”Nope, call your Mike. I’m not having you drive and possibly getting injured”. He took my keys!!! He cared about people sooo much. Love you Mike and Barbara.

I knew Mike from school, but I don't think he knew me! Louise, his mother, and I were first cousins! We were actually double cousins!
