Born in Frankfort to the late August, Jr., and Virginia Mae Ellis Luscher, Michael graduated from Franklin County High School, graduated from the University of Kentucky with a degree in Agricultural Engineering, and then served briefly in the Air National Guard stationed at Biloxi, Mississippi. Michael was employed with the Kentucky Department of Education, then retired from a position as director of facilities at Scott County Public Schools. efficient school buildings that helped children thrive and achieve. Michael was a member of First Baptist Church at the Singing Bridge from a teenager where he served as a student minister, coached softball, served as a deacon of the church, taught the young men's Sunday School class, and helped the church through several floods as a member of the building facilities' committee.

Michael was a loving husband, dad, and pappaw, a stained-glass artist, and a man who loved the Great Smoky Mountains National Park and the black bear art and photography that originated there.

We love this family and pray for all of you to find peace in knowing that Michael will no longer be suffering. He will certainly be missed by all that knew that big smile of his. He always knew the best places to eat and always recommended the best restaurants. Love you all!
