“ *I remember Mike fondly from our childhood at Cropper Elementary school. We attended school together from about fifth grade through high school. Mike was, even as a young boy, a gentleman. He was kind, considerate, and always a friend to everyone. As a man, those qualities only grew stronger. He was a steady force and remained true to his beliefs.*

Mike will be remembered for his infectious smile and his warm personality. He will be missed by all who knew and loved him. I send my deepest sympathy to Mike's family. I send prayers for peace and healing. God bless you all.
