“ *When my family moved back from CA to McCanns Rd The Sutherland family was some of our first friends. Mouse & my brother, David, became best friends....we all went to school together walking up & down McCants Rd to catch the school bus. I spent a lot of time at their house...I saw Mouse occasionally throughout theses year. He was a hard worker and honest man, always made me laugh! He's with his parents again there peace in knowing that! And his memories will live on!*

“ We all grew up together being next door neighbors. Mike, Kathy, Jimmy and Sandra. I am so sorry for the passing of your loved one. I remember him and his pony when he was a kid. Mom had to patch Mike up after the pony ran him along a barbwire fence. My goodness that was a long time ago.

“ Mouse & Chubs were out at our farm several weeks ago to lay a piece of vinyl in Bri's playhouse. Mouse told me the story of how he ended up with his little buddy. He had also laid flooring in 3 rooms of our house several years ago & just a few days ago, Willie & I mentioned we needed to give him a call soon to do our dining room. He always did a fine job! Also, before Lucky moved to Bald Knob, we never knew when they would come riding over the hill for a visit. May his family & friends find comfort in their memories.
