“ *I'm so sorry. She was a very good person. She was very nice to me and Gary and we thought a lot of her. I remember her playing with us and reading us stories. She gave me the stamps from her mail she got from Japan. I still have them. I've thought of her often over the years. My prayers go out to you.*

“ *Michelle,*

I am so sorry to hear about the loss of your mom. I don't really remember her, but I remember when you and I played together as little girls. I hope you are well and I wish we could have grown up together. Time passes so quickly and life gets in the way of things we wish we had done.
