“ *Minnie & I go back to 5th grade (2 Street U). We spent a lot of time talking and her showing me how to do the 'JERK'. We had a lot of fun on the playground and in class, during our early years. I've talked to her a couple of times since I moved back to Frankfort, and we shared so many memories. A very genuine and sincere spirit...I'm so sorry to hear of the loss, but it's Heaven's gain. "I'll see you in the Morning".... your friend always, Martha Townsend McIntosh*

“ *We were so sorry to see our friend Minnie's name and obit in the paper this week. I always loved our time together in Judy's Sunday School class at Memorial, and have been remembering the many fun times we had at class parties and times of worship with the beautiful music at church. I can picture Minnie enjoying God's heavenly music now. She will have no more pain or sorrow there with Jesus. We will be praying for the family during this hard time. Much love to you all.*

“ *I was looking on here for another friend and was shocked and saddened to see Minnie's obituary on here. My prayers for her family. We spent many years at Memorial and always saw her in church and I remember her beautiful smile and sweetness. Have not seen her in many years but I can picture her now in the sanctuary. Will think of you more often now in God's glory.*
