“ *I love and miss her every day. She was a good friend to me for 48 years (since age 17), and she is one of the reasons I became a nurse. All my love to her family.*

“ *She was truly one of the best - nurse, supervisor, friend and neighbor. I had the privilege of being Monnie's neighbor when we moved to Rancho Dr in the early seventies. She would blow a whistle at dinnertime for the boys to come home; if they didn't show; trouble would be theirs. Then I was in nursing school and went to FRMC to work and she was my supervisor. Shen taught so me much as a nurse; I will always be so grateful. She will be missed. Rest in Peace, Monnie. Sending prayers and love to the family..

“ She was truly one of the very best. I started my nursing career with Monnie as our nursing supervisor and later worked with her in the emergency room - a wonderful mentor, nurse, and a true lifelong friend. I visited with her in St Joe's on Tuesday before her Wednesday surgery. As always, she was worried and thinking about everyone else but herself. Sending my thoughts and prayers to the Talley family. “ I had the pleasure of working with Monnie for twenty years at FRMC. Monnie was an excellent clinical nurse and nursing supervisor who was able to handle any situation which arose. She always jumped in to help the nursing units when they were busy. Monnie was an excellent model and mentor to the newer nurses. She was not only a great nurse but a good friend to many. Ron Tyrer

I have heard so many good things about Monnie...what a kind, thoughtful and loving person she was, what a strong woman and family matriarch she was, and how she was always there for her family. My condolences to all the family.

There are so many wonderful things I could say about Monnie. I first knew her when she was a nurse supervisor at FRMC. She was the best IV starter I know of. I believe she could draw blood from a turnip.

She loathed nurses chewing gum at work and I'm now very aware - and annoyed - when I see others chomping gum.

She has been a great hostess (with a lovely home) and an avid basketball fan - I was able to visit with her at some of the FCHS Lady Flyers games as she watched her granddaughter play.

You were, are, and always will be loved Monnie!

When we moved from Ohio & I came to FRMC she & Betty Stratton sat in on my employment interview. She was such a warm & kind person. After I started working @ FRMC she became a friend, mentor & advisor. She was always fair & kind in her dealings with each of us. I was able to attend a couple of her Christmas get togethers in her beautiful home & I enjoyed seeing old (not in age) friends. We would occasionally run in to each other in Krogers & our talks were always about our families. She was so proud of each & everyone of them. So long Monnie, until we meet again. You will be missed!

I was stunned yesterday to learn of Monnie's untimely passing. I have known Monnie since going to work at FRMC nearly 44 years ago, and have enjoyed these many years of friendship with her. Monnie was a special friend to all that knew her and I am very grateful to be one of those friends. May the family's memories be a source of comfort and may God bless each and everyone of you during this difficult time.

Monnie was always dear and loving with me. We bonded on our trip home from Oklahoma when David Lee came home from Iraq. She was so proud of her boys, her grandchildren and great-grandchildren and so dearly loved Brooks. I regret that we didn't get to some of the things we talked about doing together. I am so glad I got to see her before her last surgery. It is a memory I will always hold dear. I will miss her...Patty Mills Reynolds

I guess I thought Monnie would always be holding up the ceiling somewhere in the world...I believe that she will live on somehow in example she set for us. She was warm, kind, intelligent, and strong. When I was working with her, she really cared about patients and the nurses, and would get down in the trenches to make things go well. When I wasn't working with her, she was a wise friend who cared, listened, and gave me honest advice. She was a role model to me in both sides of my life. I still hope I can be as brave, loving, and involved as I age, just as she was. She set a tone that I will try to honor, but there won't ever be anyone like Monnie Talley. -Cindy Wilhoite.
