“ *Joe and Jeff,
I am so sorry. I didn't know. My heart is broken. I always told him this would happen someday and I wouldn't know. We went through a lot together and meant a lot to each other, even if we haven't been together lately. We talked fairly often and he would call me just to see how I was and to tell me that he cared. He loved you both very much. I am so glad everyone was close at the end. I will miss him in my life.*
