“ *My deepest sympathy to Jim and family. Nancy Ann was a loving, devoted mother and grandmother and she will be greatly missed by her family and friends. Her vibrant personality and love of others was evident to all who had the privilege of knowing her. Also, she positively influenced the lives of her many former students and fellow teachers during her years of teaching. I know I will miss her dearly as a friend and cousin. With love and sincere sympathy, Prudy*

“ Our Nancy was a wonderful neighbor and friend, with a most vivacious personality. We considered her a part of our family. She was a loving,giving person, and we spent many hours talking and visiting with her. We will miss her and always remember her smile.
