“ Dennis, my thoughts and prayers are with your family at this time. Pam had a Big heart. You can tell what a person is made of by his or her treatment of animals. Pam sure loved Nixon and Max and always wanted the best for them and she provided what they needed. I'm sure Nixon came running to her when she entered heaven. What a great reunion that must have been. Pam will truly be missed by so many. Her beauty and compassion will live forever. Goodbye Pam, I loved who you were. Sharon Stivers Your Pet Nanny

“ Pam, so glad we met each other and spent all that time volunteering at the Humane Society. Just about every time I go to the shelter, I think of you. You gave those animals so much love and we worked so well together.

Peace be with Dennis, your sons, your sister, your grandchildren and all your friends. Godspeed my friend.

“ Denis, Ben and Brian, my heart breaks for you and my thoughts and prayers are with you and the rest of Pam's family. I got to know Pam when I started renting an apartment from her and Dennis. She and I had many long talks and I will cherish each and every one of them. At least we know that the Lord has sent her on to a better place where she will no longer be in pain. God bless all of you and if I can do anything for you, please let me know. Bev
