*Phyllis, Sandy & I did not get the chance to say anything to you yesterday, but we did talk with Judy a short time. The service was so meaningful--everything said was, of course, very true! I am sure you know how our entire family feels about you and yours--you have always been and will continue to be very special in our lives. We Bald Knobers stick together! We will miss hearing the stories from Mom & Dad about their visits and conversations with Neville--but I am also sure those will never end! Know you are in our prayers. Stay strong! God bless you!*
