“ *When I think about Nikki, the first word that comes to mind is "Tuff". To me that word sums her up the best. She and I grew up in the same little country area, by the lake. We went to school together at Logan, then one year together at West Point. She was my teammate and my friend. We both played basketball very proudly for coach Randall Jones. She taught me by example, if you want something, listen, work hard, and most of all be "Tuff". Anyone that has ever been blessed to know her in anyway, knows this about her. I will never forget her, or the things she taught me. My thoughts and prayers are with her mother, and the rest of her family.*

“ *I am so sorry to have been out of touch. Nikki was a very special person who will always hold a warm spot in my heart. She loved the coaching profession and I was blessed to have her as my assistant at Midway College. I can find comfort in knowing she is in a better place.*

Although, your CRMC family misses you, the timing could not have been better to allow this time you got with her. We are only a phone call away! “ I just wanted to let you know how very sorry I was to hear of Nikki's passing. She was a very Special young lady, and I'm sure that she touched a lot of lives in positive ways ,because of her sweet personality. We had lost touch ,but it just seemed that she had got to do what she had always enjoyed, even in school herself. I'm sure she made a huge difference in the lives of a lot of young girls. She will always be remembered with much affection from myself and my family. My prayers are very strong for you, Judy. May God continue to bless your life and keep you in his care as you grieve the passing of your beloved daughter. God Bless You, Love, Carol

“ I am an old friend from Cullman, Alabama. I knew Nikki and spent a lot of time with her during our high school years and during our first two to four years of college. She would come over to my house and we would hang out together sharing laughter and of course basketball talk. I played for the Vinemont Eagles and she would have to guard me when we would play against each other. We became so close that she would come to see me even after my marriage to Brent Partain and she would come to see my first child during her first two years of life. We were great friends during the years of 1988-1997. We have lost touch the last several years and I am sorry for that. I really do want to say that I am sorry for your loss and I loved her very much! I will always think of her and the wonderful memories she and I created together. Nikki was truly an amazing person and will always be dear to my heart! I didn't know about her illness or I would have come to her, so please forgive me for not coming to see her earlier. I am truly sorry again for her loss. I was shocked and sadden when I saw the death in the Cullman Times. I hope that Judy remembers me and I will always pray for you all. My mother sends her condolences as well and we will both miss her.
