“ *Bill & Kimberly...my thoughts and prayers are with you during this very difficult time. I pray that some understanding and comfort may come to you both and also for Sophia. God has so many different plans for our lives, and sometimes there is no way to even start to comprehend them. Just trust in him and know that he is holding a very precious little angel in his arms. God Bless you all and your families.*

“ I pray for comfort for your family in this loss. I learned of your loss from M.Bingham. In January we went through the same situation. Our little boy was fine on Sunday and Monday he was with the Lord. He was full term - ready to enter the world but the Lord had other plans for him. This is a tragic loss for everyone. My thoughts and prayers are with you.
