“ *My husband and I would like to express our deepest sympathy to the family and friends of you beloved Norma. At a similar time in our lives we found comfort in reading the scriptures, especially the account found in John 11:14-44 where Jesus resurrects Lazarus here on earth, before the very eyes of those he loved. We can only imagine the tears of joy when we too, are reunited with our dear loved ones again. (John 5:28,29) May you find comfort from the scriptures and the experiences you shared together, learn from them and cherish them. Our sincere condolences to all who knew and loved her.*
