“ *To Norman's family, I am deeply sorry for your loss. I know firsthand what diabetes can do. I hope your memories of happier times with Norman will in time overcome your present sorrow. And I hope you will be strengthened by the hope that the apostle Paul offered at Acts 24:15 when he said, "And I have hope toward God,, which hope these men also look forward to, that there is going to be a resurrection of both the righteous and the unrighteous." May you be comforted by the support of family and friends as well.*
