“ *I have know Ollie all my life. Her and Chester were friends with my parents as long as I can remember. she was a wonderful person, who gave so much to others. I will truely miss her and I think every time I pick blackberries, I will remember her coming out to the house to pick blackberries and always bringing me a cobbler back. What a giving person she was. To Chester and Mike. It's never easy letting go to someone you love. But what wonderful memories she has left for you. May God hold you close as you go through this difficult time in your lives.*
