“ *Leela:*

*I was so sorry to hear of the loss of your Mother. I know we spoke about our love for our mothers on more than one occasion. I was surprised to see her middle name of Vernice. This was my grandmother's first name. You don't see this name too often.*

*With sincere and heartfelt sympathy in your time of sorrow. If you need anything, feel free to contact me.*

“ *Jane and Leela:*

*I will not be able to be with you in person as you celebrate your mother's life. You will however be in my thoughts and in my prayers. Our mothers are so important to us and mean so much, and even though she is at peace now I know that you will miss her in your everyday lives in so many ways. I did not know your mother well, but my favorite memory is an afternoon we spent visiting at her house. She was laughing and telling stories and just enjoying visiting with Jane and Jane's sisters. It is a happy memory and one I will keep with me. You have so many more memories and they will be precious to you in the days and weeks to come. You will keep her alive in your hearts and she will be with you forever. Take care of each other.*

*Love, Paula*
