“ Sisters we were and always will be. You were the sister with no kids of your own but Aunt O to all of our kids. You loved telling me stories of what Kennadi and Raeli were up to when they were little and as they got older. You loved those two with all your heart as they loved you. All of your nieces and nephews loved you. You went through so much during your first cancer years ago only to have it rear its ugly head again. You were such a fighter your entire life but there comes a time when you simply can't. Your body told you it was time to rest. I know you're okay now as Bill is once again holding onto you. I love and miss you Onedia. Until I see you again...Brenda

“ Oneida was known for her smile and gentle laugh. Sharp as a tack and dedicated to her work as a wife to Bill, a state employee and a servant to Jesus Christ through the Midway Presbyterian Church. She had a lovely soul and will be missed by all who knew her. Alleluia Onedia! Until we meet again.

“ Onedia was/is very,very dear friend, met when she started working for state gov't in the Capital Annex building in Unemployment Insurance some 50+ years ago. The years maybe off a little, as you get older years fly bye remembering gets clouded. We became buddies we used to have fun working together in Unemployment best was when our office moved to Human Resources building. We loved listening to office gossips and create some our selves. One time we both put on our Sunday best started a rumored on selves about meeting some dudes after work for dinner it was a nice rumor. , to see how fast it goes around the office started with Kathy. Within a half hour rumor had grown like weeds, story started only meeting dudes to numerous addition on top of addition to our story. The reason why we knew all this the office staff and others kept asking us bunch of questions.
