“ *We would like to send out our condolences to Pammy's Mom, Julie and her Dad Allen. We are very sorry you have to go through this, she was an angel and had three little angels to raise yet. Time flies so quickly and everything is just so uncertain. We know she is with the Lord. She is looking down upon us now. We pray that God will comfort you and cover you all with his magnificent love and blessings. Love, Kimberly, Karissa and Marissa Walker*

“ My heart is broke to hear about this tragedy. I've known Pam and her family since I was about four years old. We were close friends in elementary and middle school. We had a group of girlfriends in school that was unstoppable. I have pictures of Pam from sleepovers and school days. She was one of a kind and I will never forget her. I haven't seen Pam in years but you can't erase childhood memories. I pray for comfort for the family. I pray for a hedge of protection around her children. We must keep the faith and trust in God so we may see Pam again in Heaven. Pamela Jo, you will forever be in my heart. I'll never forget the friendship we shared. Rest in peace baby girl. I love you.
