“ *To the Allisons -*

Not a day passes that thoughts of our precious Angel Patty doesn't cross my mind. She has and will always put a smile on my face when I think of her. She was the sweetest, kindest person I've known. Everyone should be so lucky to have a person like her cross their path but unlike me so many people will never be as lucky as I to have known such a precious soul. I thank God for the day she came into my life and all the days after until he picked that special rose from his huge garden and took her home to become hÃ®s very special Angel. I love you Patty and thanks so much for allowing me in your life. Joe and family thank you for sharing her with me and so many others. God Bless!!!

“ I was very saddened to hear that Patty had passed. For the longest time, I hadn't seen her since our days at FHS then 2 years ago, I saw her at a Relay for Life Kick-Off meeting. We talked a bit and I was so glad to have that reconnection after such a long time. Please accept my most sincere and deepest sympathies and know that I will be praying for your family.

“ Joe and Family. You know how much our precious Angel meant to me. There has and never will be another like her. As with me I know her passing leaves a huge void. Through all the suffering and pain she still thought if and helped others. She will be dearly missed by all who knew and loved her. I am still just a phone call away. Lots of love and prayers to all of you.
