“ *Having been Patrick's high school principal, I got to know him quite well. He was such an amazing intellect. Never, and I mean never, did he take no for an answer without gaining an understanding of why. He and I had numerous conversations about topics most high school students have no interest in. He was such a surprising young man, always testing the limits and pushing the envelope. I will always remember his sweet laugh and how often he and I shared laughs. He was, and will always be a loyal FCHS Flyer. I would always tease him, as he was attempting to negotiate with me to gain an edge, that he would be the governor one day. I am truly sorry that won't happen. He had so much to offer the world. My love and prayers to you and the family Tammy, and I am so sorry that I am not there for you. My prayers*

“ Patrick, I wish we could have kept in touch. I wish that we could have helped you during your time of need. I've thought of you often over the past year, even more so in recent months. I will always hold our times together, as close as I can to my mind and closer to my heart. I was so looking forward to catching up with you this summer at the wedding, but I know you'll be with us in spirit. Never forget that we all love and cherish you and will forever miss you! Hoping to see you in dreams, may you visit your loved ones often!

To my cousin Bill and Tammie,
I'm so sorry for the hurt and loss that you all are enduring. My heart breaks for you both as well for everyone else that knew and loved your son, and most of all for Patrick. I hope that you look to family and friends for love and support. We're all here for you! Never forget. I love you all!

“ To Patrick's family. I want to send my condolences to all of you and to let you know that you are all in my prayers. Being Patrick's principal at Hearn Elementary all those years, I will never forget the little red headed boy who always had a smile on his face and nice things to say about everyone and everything. I was so very saddened to hear about Patrick's death and I hope you can find comfort in knowing that he will never be forgotten. Patrick was the type of person that you can't forget and my heart breaks for all of you. I wasn't able to make it to the visitation or funeral but please know that I was thinking about all of you during this sad time. God bless all of you.

“ *Baby, from the moment I laid eyes on you, you had my heart and you still do! I wish you didn't leave me and that I could have helped you. I would give anything to just to be able to hold you in my arms and tell you that everything is going to be ok, to hear your voice once last time, to see your beautiful smile and to be able to tell you just how much that I love you so very much! Always know your mom loves you more than life itself. I can only hope and pray to see you very soon.*
