“ *I am sorry that I am unable to be there today :(Patsy was a great and beautiful lady who loved God with all she was. I know her and mom are up there giggling like school girls catching up. I will always remember all the times growing up when your Dad was alive and all the times at church and Patsy and I singing together and her wanting me to play the piano when I was over at her house after the Tupperware parties :). I know she is in a better place but hugs and much love to Betty Sue and Beverly and all the kids who loved her in that family. The world is a lot smaller now that she isnt it with her big ol heart. But the angels are rejoicing with her new life with God.*

“ I echo all the comments made by others. Patsy was a good Christian woman who loved everyone. She helped me with the purchase of two houses over the years, and I considered her a good friend even though I didn't see her often. Beverly and Betty, my prayers go out to you and the entire family. May you be comforted that Patsy is safe at home with her Lord and Savior.
