“ *Dear Family,*

Patsy was a great joy to my life. She was to me my bus driver, and a second mother. I could tell her any thing and get advise. She was greatly loved by all her "babies" as she called us. She was a loving woman with a great heart. She made sure she told us how much each and everyone of us was special to her. I'll never forget how a hug from her could make my day better. I am sorry for your loss of the truly great human being that Patsy was. Now she has her wings I am sure she is telling Jesus how she has to watch over us all. I am glad I got one last hug from her this past November, and I will treasure it and my memories of her. God Bless you at this time and I am sending prayers of comfort.
