Have known Paul since high school. I'd run into him at different places throughout our lives and was always thought of as a good and decent man. Last time I saw him was in Midway about 1.5 years ago. Never know when the last time you see someone will be THE very last time you see them. Godspeed, Paul! - Tom Edwards

“ Paul lark is my father in law. The first time I met him he reminded me of his son so much. Honestly you really can tell them apart. The first time he met his grandkids was amazing. He played with them from the time he woke up until he went to bed. He is a amazing man, father and grandpa. He always had a smile on his face and always helped the next person. We love you and we will always be with you. Love always, J.P, Cynthia, Brooklin and Richard Clark.

I'm very sorry to hear of the loss of Paul. I've known Paul since the late 1960s, as he was 2 years ahead of me from Murray Street School until he graduated Frankfort High in 1978. I have great memories of him as one of the neighborhood kids in South Frankfort who got together quite a bit for various sports and hanging around. It's been several years since I saw him last, but he was always one of the very good guys and I will remember him fondly.
