“ *To Paul and Betty's children. Betty was my cousin. Her Grandmother Barnett and my Mother were sisters. I knew Paul from the time they first starting dating. I last saw Paul and Betty at a family funeral about 10 years ago and spoke with Paul when Betty passed. Paul was such a kind person. On earth they were together many years, now they are together again. My thoughts and prayers for their children and grandchildren.*

“ *Paul was a great friend and fraternity brother. He was on the quiet or reserved side, but always willing to participate or be supportive in every activity. He was the solid citizen that we could always depend on. Our sympathies go out to the family for he will certainly be missed. You will remain in our thoughts and prayers.*

“ Paul was my boss when he was over Construction at the District 10 Office in Jackson,Ky and he was one of the most honest, caring, sincere and intelligent people I ever met. When I saw his obituary in the paper my heart was very saddened.
My prayers go out to his family and may God give you the Peace, Comfort, and Strength that you need each day.

“ *This sad news will be felt across the state. Paul was the "highway
department" when it came to construction issues at KYTC. A
mentor, friend, and a much respected advocate and mediator, he
will be missed, but his impact on so many will live on. My personal
condolences and many prayers to his family.*
