“ *I wanted to let you all know that I am sorry to hear about Paul. Muncie was a great guy and I often think back to the days of Bowl-a-way. Cecil Powell asked me to join Powells Restaurant team when I was around 24 years old and I enjoyed all those guys for the 3 years I was on that team. Muncie always treated me well and I remember running into Marge and Muncie at McDonalds a year or two ago. I could tell he was glad I came up to talk and as always he made me feel like a friend. Paul Hiles was a good man.*
