“ *Paula and family were our neighbors on Meadowview Drive. She was such a lovely and kind person, we really hated to see them go, but that was God's plan.*

We shared the good times of learning she was expecting, and, afterward, watching Logan grow.

I can close my eyes and see him sitting with his legs between the rails of the patio talking to us, as Paula would grill or do outside chores.

After that I became an employee of the Department of Insurance and got to be friends with Paula's sister and kept up with the latest Logan news and photos.

However, we retired and seldom saw or heard from the family members, except in Walmart. Then we would stop to chat for a little while.

Our sympathy goes out to each of you, and we know, today, Paula is not in a "Better Place," but is in the "BEST PLACE" with our loving God. Also, we pray the beautiful memories you have in your heart will help you during this difficult time in life. God Bless You Always!

*Prayers and Love,
Ted and Dorothy*

“ My heart breaks for the pain of your loss. Paula was a friend and classmate of mine from WHHS and was always such a beautiful, sweet, kind person. She was a light to the world in a place where the sort of kindness she showed to all people was a true rarity. The world is a better place for having had Paula be a part of it and my life is better for having known her. She is a special gift from God. I pray for His presence and healing during this difficult time without Paula. But know that she is always, always with you.

“ Paula and I go all the way back to Junior High. We became quick best friends. She was so full of life and laughter. We would laugh to all hours of the night. Her laugh was beautiful. I will miss my friend. She was beautiful inside and out. Hugs to her family. Paula: I know I will see you again when we meet somewhere over the rainbow. I can only imagine....
