“ *To Peggy's family; I can only say that my thoughts and prayers will be with you all in the coming days. Peggy was an inspiration to so many, never saw a stranger and never forgot you. Even after a long absence of not seeing her she never forgot who I was. If only we could have more Peggy's like her, there would be no room for hate in the world, just a lot of Love and Respect for one another. Just as a poem I wrote one time just remember this "I MAY BE GONE, BUT I AM STILL WITH YOU." Sincerely C.H. Clark*
