“ *Rest In Peace old friend.*

*For those of us that grew up in Clover Dale and went too Collins Lane, Phillip was a daily part of our tree climbing, Juniper Hill swimming, Fitzgerald's candy buying, Star Wars fun, red fire engine playing, bike riding, snow sled riding, door bell ringing *cough* and running, pool playing @ the Rue's adventure through life. We spent many a snow day together watching TV.*

We lost touch over the years, I'm thankful my childhood included Phillip. I wouldn't have it any other way.

“ I am very sorry for your loss, Joan and Larry. I didn't know your boy, but if he was anything like his parents, I'm sure he was a good guy. My sympathies are with your family.
