“ *My sincere condolences. I worked with Phyllis for a long time in Revenue. She was quite a lady - and a dear friend. She came to visit me after my first child bringing a Christmas ornament from Myrtle Beach, a bouncing baby ornament of which I still hang on my tree. Phyllis also brought me her car to borrow when I unexpectedly had a flat tire on my way to a job interview and she waited patiently for the tire to be fixed. I recently had Phyllis on my mind a lot - not realizing that her time was so close. We had not seen each other in a long-long time.*
