“ *Angela and I were so shocked and saddened by Priscilla's death. Although it has been a few years since we were all together we cherish the good times we had living as neighbors, taking vacations together and learning from "our mistakes!!" Of course we had lots of laughs about them and I definitely made more bad decisions than Priscilla ever thought of! My love, prayers, and condolences to all of you and always remember and cherish her and her wonderful spirit. God's blessings to all of you. Louise and Angela Ervin Fields.*

“ *Dianne and J.C. told me about your grandmother's death. I did not know her name, so didn't know her personally, except to hear you talk about her. She must have been a great lady!!! I'm sure you will miss her to no end. Give Jamie and the girls a hug for us. "We know that all things work together for good for those who love the Lord - to those who are called according to his purpose. Rom. 8:28." We love you all and hope to see you soon.*

“ I was so shocked to hear about what happened to Priscilla. I work in her building, but not directly with her. I ran into her often taking breaks--just like the day before it happened. DeDe and I were friends when I was in grade school and I have loved her ever since. She was one of the most thoughtful, friendly and sweet people I've ever met. People like Priscilla are few and far between. She will be deeply missed. My prayers are with all those who have lost this wonderful lady. I feel blessed to have known her.

“ I worked with Priscilla for many years. When I moved to Frankfort (21 years ago) and my son had his 2nd birthday party ... Priscilla dressed up as a clown and came to hand out balloons to all of the children! She loved life and we loved her! I just saw Priscilla several months ago and we talked for a bit. She seemed very happy and went on and on about her daughters and grandchildren and so forth! She loved her family dearly! Priscilla was wonderful person and a hard worker ...always with a smile ... I admired her greatly and considered her a friend. My thoughts and prayers are with all of her family during this difficult time.

“ **WALK IN SUNSHINE**

May you always walk in sunshine and God's love around you flow, for the happiness you gave us, no one will ever know, it broke our hearts to lose you, but you did not go alone, a part of us went with you, the day God called you home. So many times we've needed you. So many times we've cried. If love could only have saved you. You never would have died. The Lord be with you and may you rest in peace. Amen

Priscilla brought sunshine into our world every day. She was our coworker and our friend. You will be in our thoughts and prayers.

“ Priscilla stopped in my office most every day she was here to chat & make me laugh. I told her more than once I hoped I could be as active as her when I'm her age. I enjoyed her stories about taking the grandkids on vacation to places like NYC & DC. She was such a fun person, a hard worker and loved by many.
