“ I am thankful for the 18 years Dad & I had together exploring Buffalo Creek, Owsley Co, and exploring where our ancestors lived and are buried in Breathitt, Clay, Jackson, Lee, & Owsley Co.

Some people come into our lives then leave.

Some people come into our lives and leave their footprint on our hearts.

Dad is one of the very few who left a large footprint on my Heart.

I will always remember him calling me and telling me Son, can you hear it? Buffalo Creek is calling us. You need to come down so we can go back to Buffalo Creek.
