“ Raymond was a wonderful man who meant a great deal to our family. He was always good to me through the years, and my father, Denny Riddle, thought so much of him. Raymond had a kind heart, a steady presence, and a way of making people feel cared for. He was a great mentor to kids, with his love for baseball.

He was also “Papaw” to my son, JT Riddle, and that connection will always be special to our family. We are grateful for the love, kindness, and memories he shared with us. Raymond will be deeply missed and fondly remembered.

With love and respect,
Shane Riddle and family

“ He was a wonderful man, softball coach, friend. My parents played softball for him back when they were younger in the field beside CHR building. Then when I got older I played soft against him but he would always help all players who played for him or against him somethings that would help them out . Everyone who knew him loved him and I never seen the man mad about anything. As I hit older I worked with his daughter as she ran the NSA softball. I loved this family so much. He will be missed by so many! Love and Prayer Sonja and Buddy.

I knew Raymond from the CHR BLDG. He was awesome to help you any way he could. He had a great sense of humor. I don't think I saw him that he didn't have a smile on his face. He liked to tease too. RIP dear friend
