“ Many times in the last twenty years, I would hear the sound of Ray's bike heading up the road for a drop in visit.

We would talk of all the different things going on in, sometimes just go for a putt and by the time he left we usually had something figured out with what was on his mind.

Ray loved his family and especially Jenny, he was a person who got things done and was relentless in his responsibility to those that he chose to love and care about. I'll miss him and someday we'll go for another ride together.

“ Ray was a great leader! I was proud to work with him. He was a do it get it done! Not afraid to learn new things and challenge himself as he did so many others. Ray will be sorely missed! At home, his friends that knew him and at work! Topy America was blessed to have had Ray to work for them!!! Rest in the presents of our Lord Jesus dear brother, you deserve to rest, Amen!!

You got that right and yet so much more about Ray that we would need a bigger website to post it all.
