“ *My favorite story of Ray was: a boat was tied to a tree on the river, Ray saw them & told them there were trespassing , the man in the boat said no they were floating in the river. Ray left got his chain saw went back, took out his saw, the man asked what are you doing. Ray told him you maybe floating on the river, but you are tied to my tree & I am going to cut it down!! The man asked him to untie the road & throw it to him, Ray did. I thought alot of Ray he was a good man & a good friend. He will be missed.*
