“ *My favorite person in the world. My GG, never failed to make me feel like the most amazing girl in the world. Thank you for always being my best friend, and always willing to make the best food for me no matter the occasion. The best chef known to be, and the queen of staying positive and hip. Your laugh and wittiness I'll miss the most. Truly someone I take after when it comes to humor. Love you a bushel and a peck and a hug around the neck G.*
