“ Regina has been our friend since our boys were in Montesori at Cardome. I always teased her that she was so much "holier" than me, which she is and was. I "m finding it difficult to speak of her in the past tense just yet, especially since Zach and I just found out about her passing. I spent a long time at her grave yesterday.. still not believing it...somehow I just never thought she would actually die...but she's with The Lord. and her man . Jerry, now and her Johanna..watching from above , laughing, and taking it all in.. I shall miss my "Soul Sister" . Thank you, Lord for the privilege of her presence in my life.

“ MY mother and father, HARRISON and IDA WARE were very fond of REGINA. THEY often talked about how she loved cheese sandwiches , when she was a little girl.I always liked REGINA, she was a nice compassionate person.

“ Jerry and Family - Regina was a wonderful,compassionate person. Her care of my mother during the last few year's of Mom's life made a huge difference in the quality of those last years. Regina was patient and cheerful even when Mom became difficult. In Regina, the world has lost someone who made a difference in many lives.

My deepest condolences in this difficult time.
