“ *Dear Laura, Chris and Richie, I'm very sorry about your dad. I was with him seldom but the times I had with him were good. He was like a gentle giant with the most warm, inviting smile I have ever seen. I hope you all are able to quiet your minds and open your hearts when the missing of him gets huge, as it will, so that you can hear/feel him. I have had these times when missing my parents and it has given me such comfort.*

love and hugs
